

# Membership and Renewal Application

June 1, 2019 – May 31, 2020

We welcome all who love gardens, no matter how experienced you are in the art of gardening! Come join us for an engaging year of growing friendships, stimulating programs, varied field trips, numerous social events, and an abundance of helpful information. Our membership maintains two perennial gardens in our area. One is the Serenity Garden, a xeriscape garden located inside the Village on Village Lake. The other is Tweet Kimball's Memorial Garden at the Cherokee Ranch. Members can plant and work in these two unique venues throughout the gardening season, cultivating both the grounds and our friendships, old and new!
